Table 2 –

\*As required means that we will update this product when it is warranted by significant change. We will let you know when an update is going to be released.

\*\* Delivery in this format is under review. If this format is important to your business, please let us know so that we can take that into account.

\*\*\* If your licence agreement currently refers to a 'Geoscape' product, that should be read as a reference to our Buildings, Trees and Surface Cover products.

\*\*\*\* This format is expected to be retired in the August 2021 product release, please let us know if you would like to suggest an alternate format. All our products are now Geoscape branded.
